# SnugPlug

Say goodbye to tangled cables and desk clutter with the SnugPlug – an ingenious cable management solution that hangs neatly over any standard plug. Logos stay visible when in use, making it an excellent choice for long-term brand exposure.

Ideal for tech brands, office suppliers, facilities management companies, co-working spaces or any organisation looking to provide a practical solution that improves workspace organisation whilst keeping their brand front of mind.

## Key Features

- ▶ Clever hanging design hooks securely over the plug
- ▶ Wrap-around cable storage winds excess cable length
- ▶ Prominent branding area at the bottom
- ▶ Always made in the UK from recycled plastic or our Recycled Plus (R+)
- ▶ Digitally printed CMYK as standard
