WALLETMATES

The innovative WalletMate collection transforms everyday utility into powerful promotional opportunities. Each product in this range is ingeniously designed to fit the standard credit card format, making them perfect wallet companions that keep your brand visible and accessible. From practical protractors and cutlery sets to phone stands and golf accessories, these cleverly engineered tools pop out or fold to reveal their functionality when needed.

- **UK MANUFACTURED FROM RECYCLED PLASTIC**
- **2.3MM THICKNESS**
- **BRANDING AREA TO ONE SIDE**
- **CMYK PRINTING AS STANDARD**
- **OPTIONAL BRANDED CARD WALLET AVAILABLE**

Also available as a separate 'add on' is the Card Wallet Sleeve which has a wallet effect design on the outside and internal area for additional, CMYK design on the interior to maximise the WalletMate branding.

This versatile range offers the perfect blend of practicality and sustainability, delivering memorable promotional products that recipients will genuinely use and appreciate whilst keeping your brand front of mind in wallets and purses across the country.
